The Way to Drink	
Chilled	Room Temperatur
	

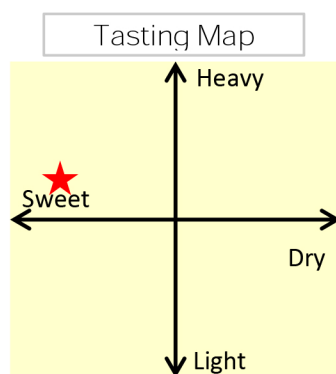

●Characteristics

- Silky mouthfeel and deep sweetness from a great combination of rice and coconut
- Layers of taste like not only coconut but jasmine, spice, and white flower spread in your mouth
- Soft texture of rice on your tongue
- Good for making Nigori freight - Nigorisake, Coconut Nigori and Matcha Nigori

●Product Story

This is our new challenge, called "Fusion sake". Sake has a wide potential to be matched up with foods such as Asian fusion sake. Cilantro, Papaiya and mango...

Find your way of drinking this Coconut Nigori!

●Food Parings

Drink as aperitif or dessert drinks. Also try with strong tasted dishes, as the sweetness improve Umami taste.

e.g.) Tonkotsu Ramen, Green curry _
