# YAEGAKI SAKE JUNMAI

Yaegaki is a well-rounded, medium dry sake with a slight acidity.

Enjoyed at any temperature, hot or cold. It pairs well with not only Japanese cuisines, but with Asian and Western cuisines with rich flavors.

ABV: 15%  
Sake Meter Value: +3  
(reference value upon production)

Proudly Brewed in California

Yaegaki started out as a sake company founded in Hyogo Prefecture in 1666. Our traditional Japanese spirit and methodology of 350-plus years live on in our U.S. brewery, as we create authentic, hand-made sake with quality local ingredients.
