## ゴールドホース

TOA SHUZO is a well-established Japanese sake maker founded in 1625. Approach to the whiskey business was in 1946.

It was one of a market leader as a pioneer of craft whiskey in Japan. We started to distill the domestic whiskey as a Hanyu distillery since mid 1980.

Unfortunately, in a severe market environment, stopped functioning as a distillery in 2000.

However thoughts on whiskey could not be broken, we have resumed whiskey sales in November 2016.

We will restart the Hanyu Distillery in 2020, so please expect from the future whiskey business of TOA SHUZO.
