The Way to Drink	
Chilled	Hot
	 86 92°F

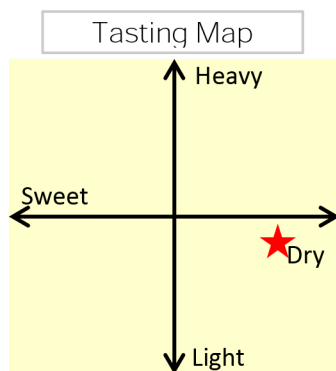

●Characteristics

- Blended Ginjo sake 30%
- Brewed using with Kizakura's original "Junmai Karakuchi" yeast
- The yeast produces more floral aroma and rich taste yet crisp and short aftertaste

●Kizakura's "Karakuchi Ikkon" brand

Kizakura has launched "Karakuchi Ikkon" for the first time in 1999. Our original "Junmai Karakuchi" yeast was developed based on one of the oldest yeasts which has been used by many breweries.

It has been more than 20 years since we launched this brand and now it's NO.1 sales Karakuchi sake. This "Premium Junmai" is the second flagship of this brand and getting popular among Junmai/Karakuchi category.

●Food Pairings

Crispy dry flavor match up with well cooked dishes.
e.g.) Yakitori (skewer-grilled chicken) with salt,
Spicy hot pot
