### ● Characteristics

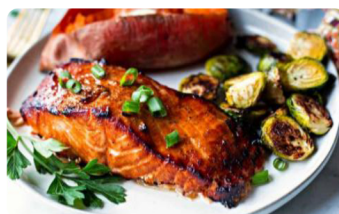

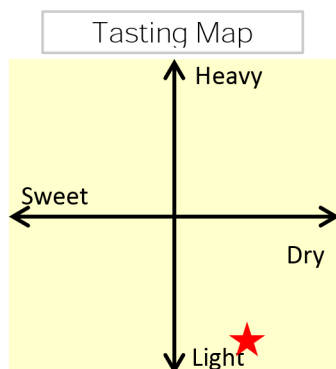

- Classic design bottle - Japanese traditional "Tokuri" with a motif of "Wa (和)"
- Mild ricy yet refreshing sour flavor
- Creamy sweetness and tartness like yogurt
- Finish is short with moderate crisp and dry flavor in your throat

### ● Sake Freight

This Tokuri series has a concept that we'd like customers try basic sake variety easily.

Small content: If they try them with 2 or 3 people, it can be 1-3 pouring per bottle. They can taste all three without getting tired of drinking.

Affordable price: We offer these items very affordable price as Japanese major sake company. Customers can grab them casually.

### ● Food Pairings

Adjust temperature of sake to the dishes such as;

e.g.) Grilled salmon with this sake in hot,
