

# Sakura Nigorisake

## ● Characteristics

- Eyecatching bright pink color
- Natural "Sakura" flavor reminds you of Japanese traditional sweets, "Sakura Mochi"
- Milky texture and sweet & sour taste with enchanting aroma like cinnamon
- Smooth & short after taste with a hint of anise

## ● Sakura for Japanese people

"Sakura" means cherry blossom.

After passing strict winter, it blooms only for about two weeks. This aspect looks very tempting to Japanese people, and they cherish it as the embodiment of mystic and fleeting things from the ancient time.
