The Only Disposable
Combo Valve & Straw!

Disposable Saliva Ejector Valve & Attached Saliva Ejector Straw

Product Code: R2031
Price: \$169 - 100 per package

- ✔ Every device stops backflow
- ✔ Single use = increases patient safety
- ✔ Eliminate inconsistent cleaning valve requirements

Using the R2031B alleviates backflow that occurs in nearly 25 percent of patients and **reduces cross contamination risk** when straws come already secured in the SE Valve.
