### Care Instructions

We advise dusting your sofa set regularly with a clean, dry cloth to maintain its condition.  
In the event of any spills, wipe surfaces immediately with a damp cloth and then rub down with a clean dry cloth.  
Your cushion covers are removable and can be washed on a gentle cycle in cool water.  
Never use abrasive or corrosive cleaning agents on any area of your sofa set.  
Do not drag your furniture; always lift your sofa set to move it.  
We recommend storing your sofa set inside or undercover to preserve its condition during the winter months.
