

Beds

Morgan

Morgan is a double bed with an upholstered headboard, to be covered in fabric, eco-leather or leather, chosen from the many options offered by the Dall'Agnese range. The headboard is shaped like a large cushion with the stitching clearly visible.

CONTEMPORARY BED DESIGN

Morgan is a contemporary classic. It is a bed with a wooden bed frame with an inclined section and matching feet that create movement and acquire lightness because they are bent in the opposite direction. The accurate workmanship emphasises the craftsmanship and exclusivity of Made in Italy. The choice of the linear and rigorous design of the Katana night stand adds further character to the ensemble.

FINISHES

Bed frame and feet are made of solid ash wood. The upholstery is to your liking, to be chosen from a wide range of finishes. Discover them all.
