Rowley Extension Dining Table | Mahogany Assembly Instructions

Please read through these instructions and ensure they are kept for future reference.
All parts and hardware are listed on the back of this guide.

Care Instructions

Wipe clean with a damp cloth, in the direction of the grain.

Due to the natural material, shading/colour variances may occur if the table is not left extended for a long period of time.

For protection against marking, table mats or cloths should always be used.

Ensure table is not positioned near a direct heat source such as a radiator.

Never drag furniture – always lift it.

When moving, lift from the apron not the table top, as this can result in damage to the extension mechanism.
