# Tepu

An intersection of lines and materials. This is the simplest way to describe the design of Dall'Agnese's Tepu bed. The two memory-foam cushions of the headboard overlap the wooden frame, which is joined by a horizontal hard leather band, and descend from there to tower above it.

## HEADBOARD BED WITH HANGING PILLOWS

The wooden part is made of solid ash stained as are the bed frame and footboard, which can also be chosen upholstered, covered in fabric, leather or eco-leather. Each wooden element can be stained in different wood finishes.
