

**SPENCER**

**Classic & Hybrid  
Training: The  
Fundamentals Of  
Lashing**

**3.5 DAY EXTENSIVE  
TRAINING**

This is a 3.5 days intensive class for beginners that involves a 1 day online component prior to class and a 2.5 day in-person training. This training will provide students with the knowledge and hands-on training required to kick-start their career as professional lash artists. In this course, you will learn all the proper technical aspects and fundamentals of how individual lashes are applied and styled to the highest precision. Hybrid lashes is one the the top 2 sets that clients ask for. This is why we have also added hybrid lash training to this program so students can start offering both techniques.

You will receive in-depth training from Jean Tan that will help reach your full potential by combining our intensive training with our exclusive student kit supplied by International Lash Brands
