"Blue" - Program Note

Herman Beeftink(1953-) is a Dutch-American composer whose music weaves together the timeless elegance of classical music with the ethereal qualities of new age and the warmth of Celtic melodies. "Blue" stands out from Beeftink's repertoire as a dynamite solo flute beatboxing fantasy, and is a stunning showcase performance piece. "Blue" moves seamlessly from Blues, to Rock, to Jazz, concluding with a variation of the opening Blues melody. "Blue" serves as another example of Beeftink's versatility as a composer.
