What If I Am Interested in Becoming a Retailer, Wholesaler, Reseller or Private Label Partner?

We are looking for strong partners who are truly ready to tap in to this BILLION-dollar industry with Edens Twist. We have opportunity to buy Edens Twist products in BULK and save. Also, we can help those who want to start their own label. Not only do we have products. We can create CUSTOM products for your brand or store. We can even help you with your branding, packaging, and website design. No matter which option you select, the minimum investment is \$5000. If that will work for your budget, we can make a LOT of money together for a long term mutually beneficial relationship.
