TRACTION

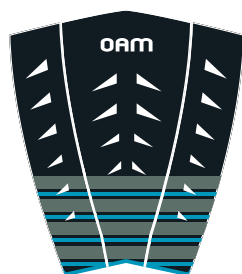

OAM | *ANIMAL GRIP™*

The most progressive surf traction possible for performance surfing. OAM patented diamond grid is designed with the perfect wall to grip your foot in place, a ramp to allow proper foot movement and just the right degree of hardness of grip texture for warm and cold water. Proven to be the best traction technology on the planet.

LEASHES

KEI KOBAYASHI

Stress relief molded cord ends create a strong, durable connection. Soft, flexible ankle cuffs feature double layered neoprene. Double swivels reduce tangling. Short, detachable rail savers maintain leash size. Handy key pockets. Molded stand off's keep cords away from feet. Stainless steel hardware means no corrosion. Rider-designed, practical, easy-grab pulls. Large swivels for superior strength and fast swivel rotation. All leashes feature a 2 year warranty.

WHITE/WHITE

There are days when you don't want to swim after your board, or wear a leash. This is your leash for those grovel days. A narrow cuff width means less neoprene and webbing around your ankle. Coupled with our thinnest leash cord, you won't even know it's there.

BOARD BAGS

NOLAN RAPOZA

OAM S-Zip is designed for easy opening and closure while giving you the best zipper in the industry: YKK. We help putting your stick away after a surf or packing for your next flight mission, quick and easy. Our board bags give you the option to slide your board in through the top of the bag or from the side. YKK coilzippers give you security with strength and quality to keep your magic board safe. OAM S-Zip is patent pending.
