General Manual for Gopher Net & Staples

This manual is designed for all Gopher Net & Staples kits, and the variety of parts & quantity will vary depending on the model that was purchased.

Caution

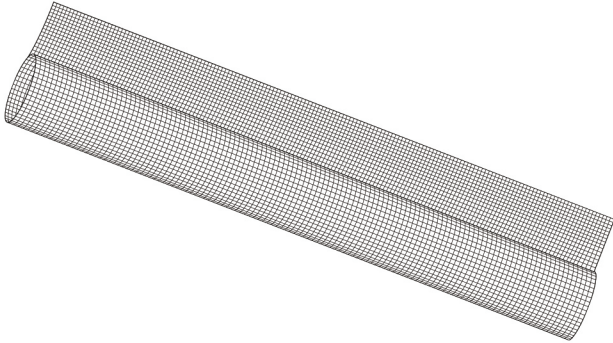

Please be aware that there are sharp metal edges. The use of protective equipment such as gloves and closed-toe shoes is recommended. Please keep the kit out of children's reach.

Packing List

Parts and quantity will vary depending on the model

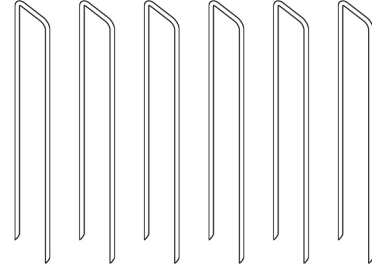

A Gopher Net

17 gauge wire, ¾" by ¾" mesh screen,
304 Stainless Steel

B Landscape Staples

6" length, 11 gauge,
304 Stainless Steel

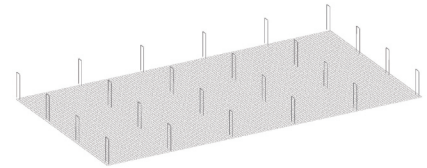

Installation Guide

Using a 4.0ft by 8.0ft kit as an example

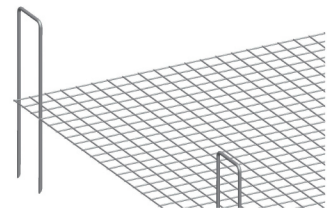

1 Step One

Choose the area for the garden bed and lay the gopher net on the flat surface. Use the included staples to secure the gopher net to the ground.

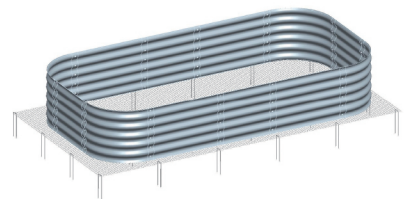

2 Step Two

Push the staples into the soil, and make sure the gopher net is securely attached to the ground.

3 Step Three

Place the garden bed on top of the gopher net. The gopher net is designed to be at least 3 inches wider than the garden bed for extra protection.
