OSS Channel Partner,

Due to the recently implemented trade sanctions announced by the United States, Germany and other countries against Russia and Belarus we have suspended all sales into Russia and Belarus. If your company is based in Russia or Belarus, we have suspended sales to your location and will cancel any current orders. If your company is not based in Russia or Belarus, per our Distribution Agreement, you are no longer authorized to sell OSS supplied product to customers based in Russia or Belarus, including any current, pending, or future orders until such sanctions are modified or repealed.

Please feel free to reach out to the OSS Account Team if you have any questions or concerns.
