

Vitamin C mask

PEEL-OFF
MASKS

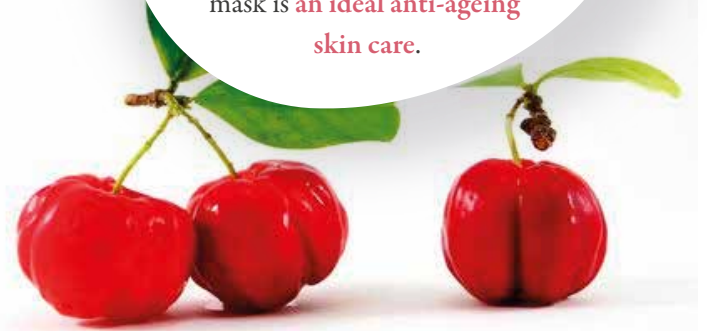

PROFESSIONAL
& RETAIL

The + Product

Rich in alginate, the peel-off mask perfectly fits the contours of the face like a second skin. Alginate is a natural substance extracted from brown seaweed. This mask has a perfect «skin-hugging» effect and **can be easily peeled off in one piece.**

The + Benefit

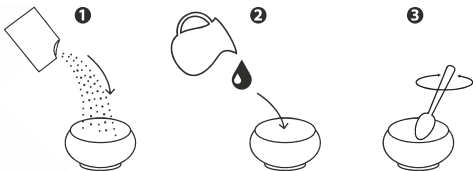

Through its high content in **vitamin C** with undeniable anti-oxidant properties, this peel-off mask is **an ideal anti-ageing skin care.**

Properties & Ingredients

Acerola	Acerola is a tropical fruit tree, which is known as <i>Malpighia punicifolia</i> . Its small acidulous fruit closely resembles to a cherry. That's why it is nicknamed «Barbados Cherry» or «Cherry of Antilles». It is one of the richest fruits in vitamin C (30 times more than the orange). It is this very richness that gives an anti-oxidant and tonifying reputation to the acerola powder. It is ideal for anti-ageing skin care (maintains skin elasticity and helps to fight against free radicals). A good active ingredient for a detoxified skin.
Vitamin C	The vitamin C reinforces the action of the acerola for an double anti-ageing action.

Ritual of Beauty

- 1- Pour 90ml of water at 20°C on the 30g of powder.
- 2- Stir quickly and vigorously during a minute to get an homogeneous paste.
- 3- Immediately apply the paste on the face, avoiding the eye contour area.
- 4- Leave it acts for 15 minutes and remove the mask in one piece.
