

Whitening Mask

The four natural and biological plant extracts contained in this mask have **whitening properties ideal to unify the complexion**. The vitamin C strengthens the activity of this vegetal complex **while boosting the cells' renewal and reviving the complexion's radiance**.

Lightening Power

Mulberry, oughon, saxifrage and grape act in synergy to regulate the melanin production, responsible for cutaneous coloration. **The complexion becomes lighter and unified**, the appearance of hyper-pigmentation is reduced.

A brightening complexion

The pure vitamin C contained in the mask completes the plants extracts' activity: **its whitening activity allows to light up the complexion**. **While boosting the elastin and collagen synthesis, it participates in the cells renewal**; the skin becomes wonderfully smooth, features are refined.

face PEEL-OFF, lightening, Plant extracts, Vitamin C, Mulberry, Grape

Dose: 30 g of powder and 90mL of water.

Pour all the water at once on the powder, stir quickly and vigorously during one minute to get a homogeneous paste.

Important: use water at 20°C.

Apply the paste immediately to the face. The mask sets in 6 minutes following the application.

Leave the mask to perform its function at least 15 minutes.

Remove it by peeling off in one whole piece.

Use before: 24 months
