SWEAT ACTIVATED CATALOG

 OMEGABURN

It took us years to perfect our formula and process, but now we can present to you the best sweat activated technology apparel in the market.

We guarantee 100% invisible design when dry, and high contrast when wet.

These shirts can be washed as any other shirt and the design will keep it's properties. Once dry, the message disappears, sweat again to reveal the message.

Made with Love in Miami Beach, FL. USA
