“My experience with Dakine 420 has been excellent. Very happy with the line up, sales team, and most importantly the quality of the harvest and cost effectiveness.” - **Larry in Michigan**

“The trichome production is insane! I have 5 nutrient lines and all of them are shelved except for this FANTASTIC line!” - **Russ in Utah**

“Dakine 420 had everything my plants needed. I didn’t have to fight with any deficiencies or toxicities, I just followed their instructions on the feed chart and came out with the most beautiful plants and buds when they finished.” - **Matthew Garrison**

"Yields and quality, not much more to say about the products. We use the Base, Grow, Bloom, and Shock and Awe. Super easy to mix and really clean. Been using them for 2 or more years." - Nick Kessler / Orange State

As soon as I added S&A to the lineup I knew why they named it that. Should be called Holy Sh#% it's so good. Noticeable increase in size and trichome coverage was the proof and I've never looked back.
