

# TAL BEGINNER PROJECT PLANNER

No more unfinished sewing projects!

Our BEGINNER patterns are specially designed to suit beginners, with easy-to-understand pattern parts and extra clear instructions. In the project planner, you can gather your thoughts about the sewing project, add fabric samples and note specific details you want to remember if you decide to sew the same garment again.

Good luck!

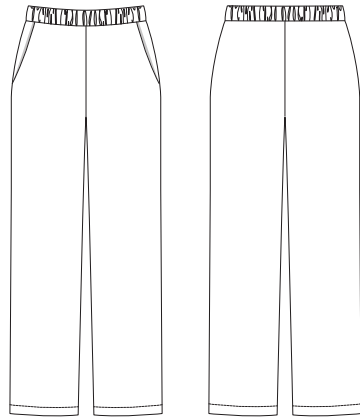

Collect all your lovely TAL sewing projects in an inspiration folder.

## **THE ASSEMBLY LINE**

# The Assembly Line Project Planner

Date of project start: .....

Finished: .....

PULL ON TROUSERS  
PATTERN

XS S M L XL 2XL 3XL

No pockets or side stripe

With pockets  With side stripe

What fabric did you use?:.....

.....  
.....

What did you think of the project?: .....

.....

.....  
.....  
.....  
.....

Were there steps that felt unclear/difficult?: .....

.....  
.....  
.....  
.....

Did you make any mistakes?:.....

.....  
.....  
.....

Did you make any adjustments of you own?:.....
