Product Overview

- ① 50mm Audio Speaker
- ② PU Leather Earmuff
- ③ Adjustable Headband
- ④ LED Light
- ⑤ Rotatable Microphone
- ⑥ Volume Control Wheel
- ⑦ Mic Mute Button
- ⑧ 3.5mm Audio Cable + USB (only for LED lighting)

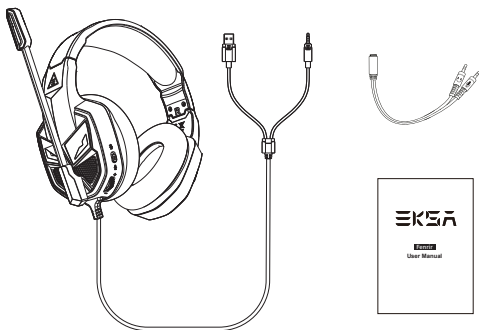

Specifications

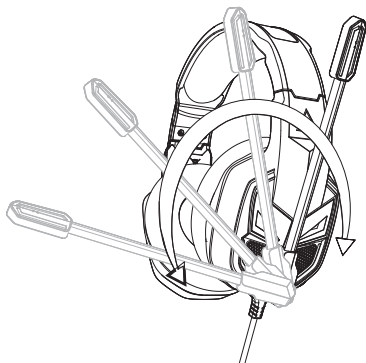

Interface Type	3.5mm cable + USB cable
Speaker Diameter	50mm
Frequency	20Hz-20kHz
Operating Temperature	-10-55 C
Overall Dimensions	200*95*214.5mm
Rated Power Input	10mW
Max Power Input	20mW
Sensitivity	106dB±3dB
Impedance	32Ω±15%
Net Weight	≈ 295g

Packing List

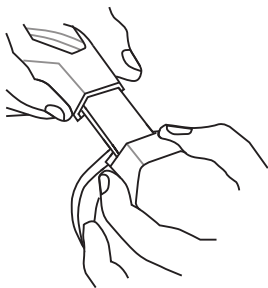

- 1.EKSA Fenrir Gaming Headset
- 2.Y Extension Cable
- 3.User Manual

The microphone has a 120° flip-boom arm with which you can find the perfect angle to produce a clear audio. It is fitted with a noise reduction technology, thus eliminating the annoying background noises to collect your voice clearly.

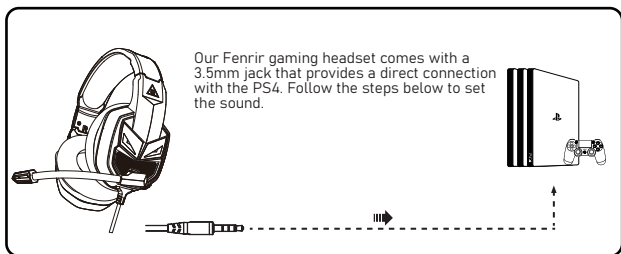

Adjustable headband allows you to enjoy a comfortable fit by adjusting it on either side of the headset.

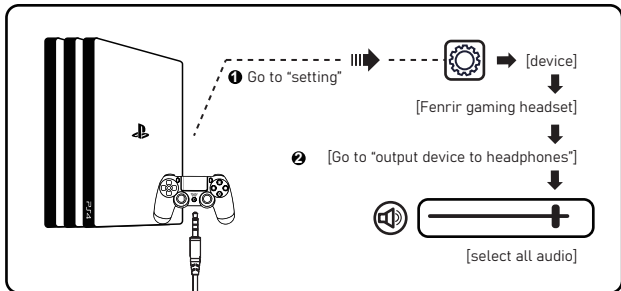

Operating Instructions

PlayStation® 4 Controller:

Sound Setting:

Xbox One S/X:

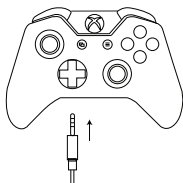

To work on the NEW version of the Xbox One S/X controller, you can directly connect your Fenrir headset to the controller via the 3.5mm jack.

Note:

1. Old version Xbox One needs a Microsoft adaptor (Not included).
2. The headset is not compatible with Xbox 360.

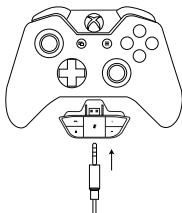

Guide for Xbox Users

The controller has a 3.5mm jack:
Driver-free, plug and play

For the Xbox One S/X controller

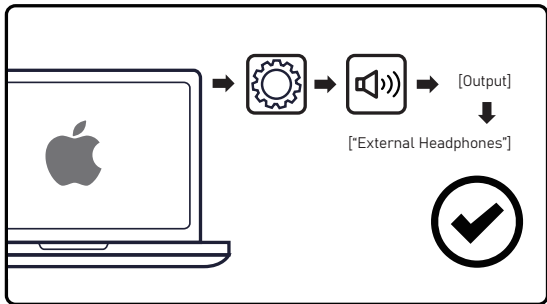

The controller doesn't have a 3.5mm jack:
Microsoft stereo adaptor is required

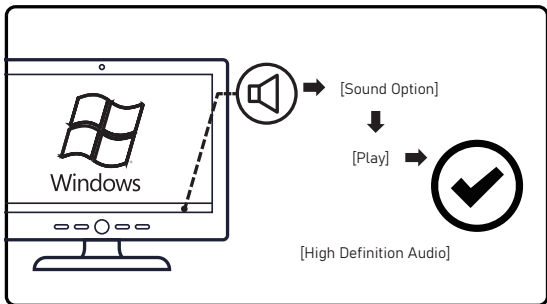

For the Xbox One controller
(old version)
