

Bringing hearing aid insurance into *your* hearing clinic

*Introducing HearSure - Australia's first dedicated hearing aid insurance.*

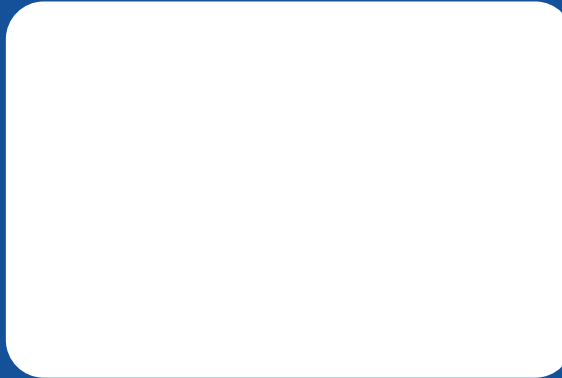

We have redesigned hearing aid insurance with the client at the core. We asked hearing aid wearers across Australia how to create the ultimate hearing aid insurance policy.

The result is a faster, smarter and more convenient hearing aid insurance.

*For years, hearing aid insurance has been an afterthought. No more.*

Until now, hearing aid insurance has not met the needs of hearing aid wearers – leaving uncertainty, confusion and delays.

HearSure designed a product using feedback from hearing care professionals and hearing aid wearers.

The result is Australia's first insurance product just for hearing aids – providing complete peace of mind for hearing aid wearers, and allowing hearing care specialists to work directly with hearing aid wearers.

*Available now in your hearing clinic.*

*Simple all in one cover designed for hearing aid users*

Developed by people from the hearing industry to provide you with total peace of mind.

*Full protection from loss, theft and damage*

A true all in one hearing aid insurance solution. No more over or under insurance.

*Lodge and track your claim with your provider*

Speak directly to your hearing care provider to lodge and track your claim.

*Fast claims processing and no excess*

No more waiting. We resolve claims directly with your hearing clinic and there's no excess.

*Cover that lets you stay with your hearing care provider*

We will not ask you to source quotes, because our product ensures you keep your specialist.

*Active Australia-wide for complete peace of mind*

Wherever you are we have you covered. This also includes unlimited international travel.
