The Daily Chair brings style and productivity to any space.

Office Seating

Enjoy ergonomic work seating that can seamlessly blend in or define your workspace.

Verve Chair

Verve is a high-performance work chair that's been obsessively engineered to create a striking silhouette, a playful palette, and approachable ergonomics with six points of adjustment.

Wrapped in a unique 3D knit, its V-shaped suspended back offers integrated and adjustable spine support for continuous comfort. Precise color matching across materials produces a truly unified palette that enables anyone to create an eye-catching workstation in the home or workplace.

Colors

Galaxy Mist Coral

Mint Cobalt Lunar

The Standing Desk and the Verve Chair paired for an elegant yet understated executive office.

Ergonomic Chair

Designed for superior support and adaptability, the Ergonomic Chair puts you at the center of work. Its firm lumbar support and contoured upper backrest encourage a healthy posture while its eight points of adjustment make it easy for anyone to find their fit.

Wrapped in a breathable backrest that keeps you cool throughout the day, the Ergonomic Chair adds a minimalist, modern touch whether you're in the home or open office.

Softside Chair

The Softside Chair combines the ergonomic performance of a work chair with a fully upholstered frame that's as comfortable as it is inviting. Hidden inside its form are a range of innovative ergonomic features: an integrated curved lumbar support to promote natural spine alignment, height and tilt adjustments, and removable armrests.

The Softside comes in a range of colors, materials, and sizes that allow it to sit well in any home or office.

Task Chair

The Task Chair offers a sleek design while delivering comfort for hours of work. Its woven backrest provides breathable support while its cushioned, adjustable lumbar rest distributes weight and encourages healthy posture.

Designed for style and function, the Task Chair's clean silhouette adds a modern touch to any office. Meanwhile, its five custom adjustments make the chair ready to serve all of your ergonomic needs, allowing you to focus on the task at hand.

Colors

Black

Daily Chair

Designed with ergonomics, sustainability, and style in mind, the Daily Chair is as durable as it is comfortable. The Daily Chair fits any work environment from the living room to the board room.

Built for natural movement, the Daily Chair delivers comprehensive support on a budget. Its intuitive height and armrest adjustments make it the perfect chair for any type of work.

Saddle Chair MYKOLME

We partnered with Finnish design company myKolme to offer a bold take on active seating. The Saddle Chair combines posture-improving form and sustainable style to encourage a workday filled with movement.

Promotes healthy sitting by aligning your spine, opening your hips, and engaging your core. Ideal for workers who alternate between sitting and standing at work, short work sprints or a team touch base, and dynamic workspaces.

The Saddle Chair is height-adjustable and available with a standard upholstered seat (ILOA) or premium reinforced seat (ILOA Plus).

Colors

Black Dove Brick Forest Pacific

Move Stool VARIER

The Move stool is the original wobble chair designed by Norwegian designer Per Oie. Intentionally designed to move with the body, the soft edges of the seat paired with the rounded wooden base allow for an extended range of motion.

This height-adjustable stool is ideal for workers who alternate between sitting and standing at work, short work sprints or a team touch base, and dynamic workspaces.

Variable Kneeling Chair VARIER

Discover a new way of sitting with the instantly recognizable Variable, the original kneeling chair designed by Peter Opsvik in 1979. Variable encourages you to shift between positions throughout the day—so lean forward, rock back, stretch out, and let the chair follow your body's natural movements.

Ideal for workers who alternate between sitting and standing at work, short work sprints, and dynamic workspaces.

Furnishing a new corporate HQ

CASE STUDY DETAILS

125,000 sqft • 850+ employees • Toronto

An on-budget start to finish installation that included a full space plan, white glove delivery, and 855 workstations.

Task Chairs paired with Double Standing Desks form an open workspace that still allows for privacy for TouchBistro employees.

Desks and Benching

With standalone, adjustable and benching options, Branch desks fit offices and teams of every size.

Quad Desk

The Quad Desk provides a foundation for clear thinking and inspired doing for teams of four (or more). While adding a modern touch to the open office, the classic design is complemented by robust construction. The flexible modularity allows for easy additions as you grow.

Features brushed cable ports and a central wire column for efficient organization of connectivity and cable systems.

Base Colors

The Six Person Desk and Ergonomic Chairs, paired as the Six Person Bundle, provide a foundation for inspired productivity for small teams.

Double Standing Desk

Modern design is complemented by robust construction in the Double Standing Desk. Features two independent tabletops on a fully-integrated base.

The power console comes standard on every unit and can be connected to other units and chained together. Its dual motors and three-stage lift columns make the transition between sitting and standing so seamless you'll be hard-pressed in finding a reason not to move. Set and save your optimal heights with four memory presets.

Conference Chair

Made from durable polymer and woven mesh, the Conference Chair is a comfortable and stylish perch whether you're hosting a quick team sync or posted up for a board meeting.

A recessed lever allows intuitive height adjustment, while the curvature of the seat matches the natural arch of the body to reduce pressure on the back and knees. With a center tilt and sleek looks, the Conference Chair pairs with our Conference Table to create the perfect environment for sustained collaboration.

Colors

Black

The Conference Table and Conference Chair form a collaborative space for quick syncs and long discussions.

Furnishing a collaborative digital marketing space

CASE STUDY DETAILS

75 employees • Boise, Idaho

An efficient installation of ergonomic workstations and quality conference furniture fosters intense collaboration.

Daily Chairs paired with our Conference Table facilitate focused team gatherings.

Breakout

Flexible setups to facilitate small group meetings and individual focus work or calls.

Meeting Table

Whether anchoring a small conference room or out by the kitchen, the Meeting Table gives teams a place to collaborate, brainstorm, and chat about work (or everything else).

Compact and stylish, the Meeting Table feels at home in any nook around the office. Pairs well with our Guest Chair or Cafe Chair.
