FTO Certification

Congo Usamani

Swahili for “Dignity”

This coffee comes from the same cooperative as the Mapendo. To create a more sustainable compensation structure, we have chosen to purchase this lot as well. We are excited for the beneficial financial impact for the producers as well as the accessible price point for buyers.

A Farmer’s Story

Daniel is the Cooperative Manager and the coffee industry has made a huge impact on him and his family. The training he received in coffee production, in the fields, and coffee farms has allowed him to share his knowledge with the younger people in his region.
