Find Your Ring Size

Find a ring that fits you well. Move the ring from circle to circle until you find the one that matches up with the inside circumference of your ring. If the ring lands between two sizes, always choose the larger one.

Make sure to print this page at 100% scale.

The lines on the left should measure exactly 50 mm and 2 inches.

CARTILAGE CARTEL

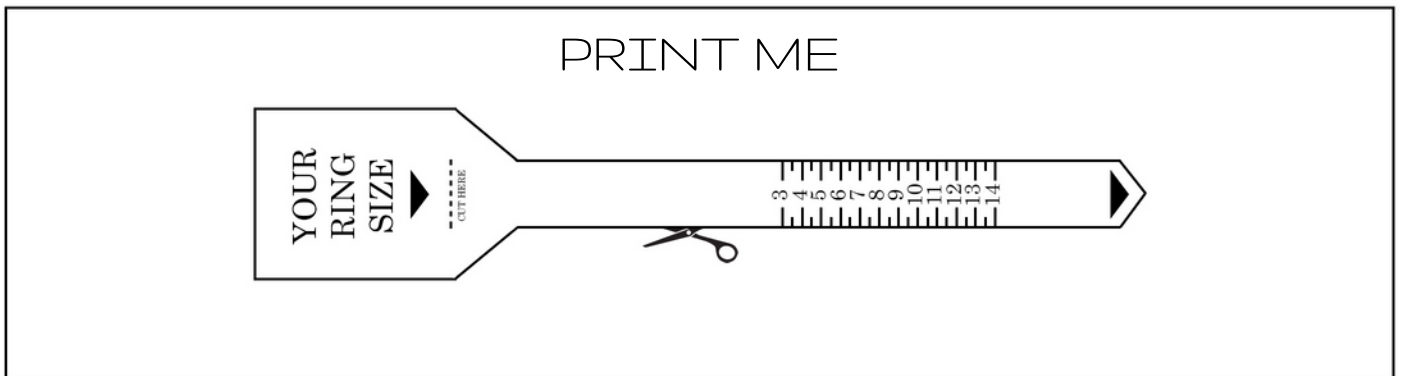

Printable Ring Sizer

Trim the paper to match the Ring Sizer outline and cut a slit as indicated by the line.

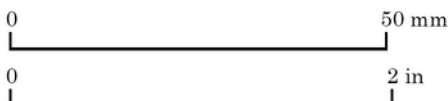

Insert the pointy tip of the paper through the slit.

Place the Ring Sizer around your finger and tighten gently until you have a secure, comfortable fit.

The number line that meets the slit indicates the ring size.

Remember, if you do not have access to a printer - you can order one of our ring sizers or email us for help at hello@cartilagecartel.com
