

INSTALLATION INSTRUCTIONS

Step 1: BASE ASSEMBLY

Remove just the hex nut and outer washer from the base, leaving the connector, threaded rod, inner washer and centering washers in place.

Step 2: BASE ASSEMBLY

Insert the weight into the base. Slip on the washer, tighten the nut and stick on the felt.

Step 3: TOP ASSEMBLY

Then set the base upright and screw the threaded rod into the connector. Slip the tube over the thread rod and screw on the swiveling towel bars assembly.
