

Dear Ms Thompson

Like you, people are at the heart of everything we strive for. With your support, we can take the fight to Dementia – together. A huge thanks to all the amazing people at Lash House Ltd who have, today, shown that, when we work together, we can achieve such amazing things. We are all united against dementia. Thank you for partnering with us and investing in our cause with a generous donation of £1,762.00 . We will ensure that we make every penny count to drive our crucial work.

Dementia devastates lives. By 2021, 1 million people will be living with the condition. But dementia won't win. Until the day we find a cure, Alzheimer's Society will be here for anyone affected by dementia – wherever they are, whatever they're going through. Everything we do is informed and inspired by them.

We'll make sure that your donation is put to good use, whether it's spent on campaigning activity to stand up for people with dementia, funding research to develop a cure, or delivering vital services across the UK; it's going to make a huge difference.

Just one of the vital services we provide is Side by Side where we focus on the individual needs and personalities of people with dementia, allowing them to continue doing their favourite activities and making sure people living with dementia don't feel alone.

'After a whole year of not going out, I now can't imagine staying indoors.' – Val, living with dementia, using Side by Side

We're taking on dementia to put a stop to it, any way we can.

Once again, thank you. With your help we hope to one day win the battle against dementia.

Yours sincerely
