Dear Diane

Thank you so much for getting in touch with us and making the decision to support the patients at Trinity and their families with your donation of £1,539.50 as your charity of the month.

Your help makes such a difference to people when they need it the most and your generous gift will go towards the £12,000 a day that we need to raise to keep Trinity and Brian House open and provide local Hospice care to adults and children in our community of Blackpool, Fylde and Wyre.

As a local charity, we receive less than 40 pence from every £1 we need to provide our services from the government. We rely on the generosity of people like you to help us meet the needs of 8,000 local people each year.

I'd love you to feel more of a part of what's going on here at Trinity and see how your donation is making a difference, so please visit our website: www.trinityhospice.co.uk and follow us on Facebook and Twitter for regular updates. We will also post out to you our newsletter twice a year; just let us know if you'd prefer not to receive this.

Again, thank you Diane. Your support means so much too so many.

Yours sincerely,

Janet Atkins
