

Material Safety Data Sheet – Lip Mask

(according to 1907/2006/EC, Article 31)

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1: Product identifier

Trade name: Collagen Lip Mask

1.2: Relevant identified uses of the substance or mixture and uses advised against

To be used as a nourishing lip treatment.

1.3: Details of the supplier of the safety data sheet

Manufacturer/Supplier: Produced in Canada for London Lash Professional

SECTION 2: Confirmation/information on Ingredients

2.1 Classification of the substance or mixture.

Classified as a cosmetic product. Product not expected to cause any irritation or health hazards if used correctly.

Chemical Name	CAS No.	Content (wt%)
Water	7732-18-5	93
Glycerol	56-81-5	4.5
Hydrolysed Collagen	92113-31-0	1.25
Propanediol	26264-14-2	0.5
1,3-Butanediol	24347-58-8	0.5
Aloe Vera	85507-69-3	0.1
Lavender Oil	8000-28-0	0.05
Rosemary Oil	8000-25-7	0.025

SECTION 3: Hazards Identification

Acute Potential Health Effects:

Inhalation: Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure anticipated.

Eye Contact: Not expected to be irritating to the eye

Skin Contact: Not expected to be irritating, sensitizing, photo-allergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient.

Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation with nausea, vomiting and diarrhoea

SECTION 4: First Aid Measures

Inhalation: If respiratory irritation occurs, remove individual to fresh air.

Eye contact: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, contact a physician.

Skin contact: Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

Ingestion: Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion dilute with fluids (water or milk) and treat symptomatically. Do not induce vomiting.

SECTION 5: Firefighting Measures

Flammability of the Product: Not applicable.

Flash Points: Not applicable.

General Information: As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear.

Suitable Extinguishing Agents: Use chemical foam, dry chemical, carbon dioxide or water.

Explosion Hazard: No applicable information has been found.

Special Fire-Fighting Procedures

Contact emergency personnel. Use self-contained breathing apparatus and full protective gear, if large quantities of product are involved. Hazardous

decomposition products may be released. Thermal degradation may produce oxides of carbon and/or nitrogen; hydrocarbons and/or derivatives. Special Protective Equipment for Firefighters: Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes

SECTION 6: Accidental Release Measures

General: use proper personal protective equipment as indicated in Section 8.

Measures for Cleaning/Collection:

For Household Settings: No applicable information.

For Non -Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact.

SECTION 7: Handling and Storage

General: Use proper personal protective equipment as indicated in Section 8.

Measures for Cleaning/Collection:

For Household Settings: No applicable information.

For Non-Household Settings: Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact.

Precautions: No special technical protective measure required. Handling:

For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements.

Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

Storage: For Household Settings: No applicable information has been found.

For Non-Household Settings: No unusual handling or storage requirements.

Storage in large quantities (as in warehouses) should be in a well-ventilated, cool area.

SECTION 8: Exposure Controls/Personal Protection

Exposure Guidelines: Exposure guidelines are not relevant when product is used as intended in a household setting.

Engineering Measures: Not applicable.

Personal Protective Equipment:

Eye Protection: No special protective equipment required.

Hand Protection: No special protective equipment required.

Skin and body protection: No special protective equipment required.

Respiratory protection: No special protective equipment required.

Thermal hazards: Not applicable.

Hygiene measures: None under normal use conditions.

Environmental exposure controls See section 6 for more information.

SECTION 9: Physical and Chemical Properties

Colour: Pink/Red

Odour: Lavender (slight)

Form: A lip shaped supple film/gel

Melting point: Not available.

Ph: Not available.

Boiling point: Not available

Flash point: Not available

Evaporation rate: Not available

Solubility in water: Not available

Solubility in other solvents: Not available

SECTION 10: STABILITY AND REACTIVITY

Reactivity: None under normal use conditions.

Stability: Stable under normal conditions.

Hazardous polymerization: Hazardous polymerization does not occur.

Hazardous Reactions: None under normal processing.

Conditions to Avoid: None under normal processing.

Materials to avoid None in particular.

Hazardous Decomposition Products None under normal use.

SECTION 11: TOXICOLOGICAL INFORMATION

Acute Symptoms/Signs of exposure:

Eyes: Redness, tearing, itching, burning, conjunctivitis.

Skin: Redness, itching.

Ingestion: Irritation and burning sensations of mouth and throat, nausea, vomiting and abdominal pain.

Inhalation: Irritation of mucous membranes, coughing, wheezing, shortness of breath,

Chronic Effects: No information found.

SECTION 12: ECOLOGICAL INFORMATION

Persistence and degradability: No information available.

Bio-accumulative potential: No information available.

Mobility: No information available.

Other adverse effects: No information available.

SECTION 13: DISPOSAL CONSIDERATIONS

Household: Do not discharge product into natural waters without pre-treatment or adequate dilution.

Non-household: Should not be released into the environment. Dispose of in accordance with local regulations.

Contaminated packaging: Dispose of in accordance with local regulations.

SECTION 14: TRANSPORT INFORMATION

This product is not regulated as a hazardous material for transport.

SECTION 15: REGULATORY INFORMATION

The product described in this Material Safety Data Sheet is regulated under the Federal Food, Drug, and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable).

The above information is based on the data of which we are aware and is believed to be correct as of the date hereof. Since this information may be applied under conditions beyond our control and with which may be unfamiliar and since data made available subsequent to the data hereof may suggest modifications of the information, we do not assume any responsibility for the results of its use. This information is furnished upon condition that the person receiving it shall make his own determination of the suitability of the material for his particular purpose.
