Dear London Lash Pro,

Thank you so much for the generous donation of £2383.50 which you made to us recently.

The battles we fight are not easily won, but we need to be ambitious to reverse the devastating loss of biodiversity. We're determined to change hearts and minds to make it politically, socially and economically unacceptable to degrade our planet's precious natural resources. We're tackling the main problems that are driving nature's decline – notably the food system and climate change. And we're fighting to ensure future generations have a world with thriving habitats and species. As you know, we depend on the kindness of people like you and all of this is made possible thanks to your donation.

You have registered for Gift Aid; this is great news as this means that your donation and any future donations you may wish to make to WWF-UK will be worth a quarter more, at no extra cost to you. If you have any questions about Gift Aid, or your tax status changes, please contact our Supporter Care team on 01483 426333.

If you have any questions about the support you give us or the work we do please take a look at the 'Frequently asked questions' section on our website www.wwf.org.uk/faqs.

Together we can achieve great things. Together we can fight for our world.

Yours sincerely,
