BEST SELLER

Our flagship product! This delicious apple butter was the first product we ever produced back in 1970, and is still our most popular product today! Try it on a warm biscuit.

Fresh cooked apples are the #1 ingredient!

Pure. Clean. Simple.

BEST SELLER

Organic no sugar added apple butter contains just 2 ingredients, organic apples and organic cinnamon! Tart, flavorful, and simple. Makes a delicious, healthy snack.

We took the sugar out of our original recipe to create a healthier alternative for all of those looking to lower their sugar intake, but still want to enjoy a timeless classic.

A delectable spread that combines the sweetness of Michigan apples with the tartness of cherries, slow-cooked to a smooth and velvety consistency.

A delightful spread that marries the sweetness of Michigan apples with the vibrant, juicy burst of Michigan blueberries. Goes great on toast, waffles, and croissants.

6 pack case
13-16 oz jar

Our products use quality ingredients in simple recipes.
-The Dillman Family

The closest humans have gotten to pumpkin pie in a jar! Pumpkin butter is sweet with just a hint of spice, and goes well on toast, in coffee, or straight out of the jar.

Juicy, small blueberries sourced from Michigan to create a delicate, flavorful fruit spread. Take your blueberry pancakes to the next level using our blueberry preserves!

Peach butter is made with fresh, plump peaches that are pureed into a delicious treat. Our peach butter can be used as an ice cream topping, crepe filling, or as a glaze for grilling!

Slow cooked Michigan tart Montmorency cherries pureed into a smooth butter make this a great topping for scones, croissants, and freshly baked bread.

Pear butter spread offers a unique twist to our traditional Apple Butter. It goes great in peanut butter sandwich, on toast, or mixed into yogurt!

Enjoy the sweet taste of deep purple plums in this scrumptious fruit butter. Goes great on scones, waffles, and toast.

The combination of sun-ripened California strawberries with freshly harvested rhubarb makes this unique preserve a must have.

Our orange marmalade is sweet & tangy, and made with real chunks of orange to deliver the natural texture you expect!

This pantry staple is made with chunks of sun-ripened strawberries that give it a taste and texture that cannot be duplicated.

We decided to put all your favorites into the same jar! No need to pick just one anymore.

We added natural Amaretto flavor to our already delicious cherry preserves to give this jar of cherry amaretto preserves a deep, robust flavor.

The cranberries and oranges combine to make a tart, intense flavor that goes great with pastries and breakfast foods!

We took the seeds out of delicious whole black raspberries to make this preserve easy to spread on toast, crackers, or pastries.

A classic flavor, try this with natural peanut butter for the healthiest, most delicious PB&J ever!

Full of pieces of red raspberries to give it that perfect consistency. If you love the flavor of red raspberries you have to try this!

With chunks of tart Montmorency cherries, this is the perfect combination of sour and sweet.

California apricots slowly simmer to create apricot preserves that you will crave! These preserves glow with an orange hue from one of nature's candies.

Fig, Red Raspberry, Orange, and Ginger. This product will transform your next charcuterie board into a flavorful masterpiece.

These California grown peach preserves are sweet and slightly tangy in a way that will immediately remind you of summer.

With grade A cooked Michigan blueberries and pure cane sugar, this preserve has the perfect texture for waffles, muffins, toast, or to eat by the spoonful.

Whether you think it's a fruit or vegetable, we can all agree that these preserves are delicious. Try them with crackers and cheese and you'll be hooked.

Our blackberry preserves are sweet and tangy, with whole Oregon blackberries throughout!

Boysenberries are a cross between a red raspberry, blackberry and loganberry, and they make some amazing preserves!

Gooseberries have a sweet, grape, like taste. Don't be scared if you have never tried gooseberries because this preserve is a sure treat!

Michigan apples are combined with cinnamon to create an autumn-inspired preserve. This adds a flavorful taste to Apple Strudels.

California peaches combined with tart rhubarb make this preserve delightful. Try it on toast or freshly baked breakfast breads.

We pack this jar full of dark red Washington cherries to give this preserve its natural plum color. Goes great on top of a slice of cheesecake.

Michigan blueberries combined with tart Montmorency cherries give this preserve a delicious flavor. These go great on jam cookies.

Michigan tart cherries are blended together with Willamette red raspberries to give these preserves a sweet and tangy taste. Pairs well cheese and crackers.

We added cayenne pepper to our already delicious Red Raspberry Preserves to give these preserves an extra kick-for all those spice lovers out there.

Pure mango goodness in a jar. These preserves have more mango flavor than actual fresh mangoes! Try it over oatmeal or chia seed pudding!

Peaches and blueberries team up in this preserve to do what they could never do on their own. You have to taste it to believe it!

Plump pears and Michigan Apples combined with a signature blend of cardamom and ginger gives this preserve a truly unique flavor that is loved by all. Great with cream cheese!

A summertime favorite, this jar is packed full of old-fashioned pink rhubarb making it tart yet still sweet.

These preserves are not super spicy, but they do have a nice kick. Use these to make the best charcuterie board you've made in your life!

Fresh peaches with a hint of almond come bursting out of the jar as soon as you open it. You will be floored with how delicious it is!

This is a sweet preserve that is extra flavorful thanks to the two fruits. Use this preserve to enhance any milkshake, smoothie, yogurt, or cookies!

This is the closest thing to fresh pineapple you will taste. Great for dessert recipes and right out of the jar! This preserve will make you feel like you just woke up on a beach in Hawaii.

Our products are free of
preservatives, corn syrups,
and additives.

We added honey, tomato and brown sugar to this mustard for a classic go-to dipping sauce.

Spicy Habaneros add an extra kick of heat for an excellent balance of sweet and spicy.

A sharp, peppery flavor, this mustard adds an extra kick and depth of flavor.

A vibrant and slightly sweet mustard, complemented by the bright and citrusy undertones of dill.

Tangy, sweet, spicy, smoky, and great as an all-purpose sauce.

A sophisticated and robust flavor, with a smoothie and creamy texture—perfect for salad dressings.

We added all-natural honey to our already delicious Dijon Mustard for a sweeter delicate taste.

With its bold, grainy texture and a touch of heat, this mustard elevates the flavor of dishes with its robust tanginess.

At Dillman Farm we believe that the food we eat should be as simple as possible because our families deserve good, honest, and tasty food. *Pure. Clean. Simple.*

Bold & Spicy, our Texas Barbecue sauce is for those who like a little spice in their life! This is great as an all-around sauce.

NATURALLY DELICIOUS

PURE, SIMPLE, CLEAN BBQ

Sweet & Tangy, Carolina is well known for its mustard style barbecue sauces that go great on pork, chicken, and beef.

Sweet & Rich, this sauce perfectly channels the sweet, rich flavor of classic Memphis Barbecue. This is an amazing finishing sauce for pork, chicken and brisket

Smoky & Zesty, this bbq starts with a tomato-based sauce, creating a harmonious blend of smokiness, sweetness, and tanginess.

Smoky chipotle offers a delicious mix of smokiness and a touch of heat, creating a flavorful barbecue experience.

We sweetened up our Midwest Barbecue Sauce by adding cherries, giving this sauce a flavor thats delightful.

We added Michigan Apples to our Midwest bbq to create a deliciously sweet and tangy sauce.

Combining the smoky heat of chipotle peppers with the sweetness of apples for a delicious barbecue experience.

Mild, smoky & sweet, this barbecue sauce goes great for grilling meats or as a finishing sauce.
