# TLC Range PRICELIST AUGUST 2023

Each coffee station is unique, as each individual has different needs. For costing purposes, let us know what you're requirements are, as the options are limitless.

Well, well, well, isn't that just a brew-tiful situation we've got here? Coffee stations, my friends, are like a box of chocolates – you never know what you're gonna get!

Picture this: you walk into the office, and there it is, the coffee station. But wait, it's not just any coffee station, it's your coffee station. And guess what? It's as unique as you are! Your caffeine cravings, your quirks, your coffee dreams – they all come together in this little corner of happiness.

Now, when it comes to costing, let's just say the options are more endless than the number of beans in a giant coffee bag. We're talking endless possibilities!

So, tell us, dear coffee enthusiast, what are your requirements? Just let us know, because your coffee station is YOUR kingdom, and we're here to make your caffeinated dreams come true!

### Discover the Beauty of Sustainable Elegance

At TLC Online, we take pride in our commitment to sustainability and quality. We utilise solid rubberwood for our countertops and other exquisite wood accents and trims.

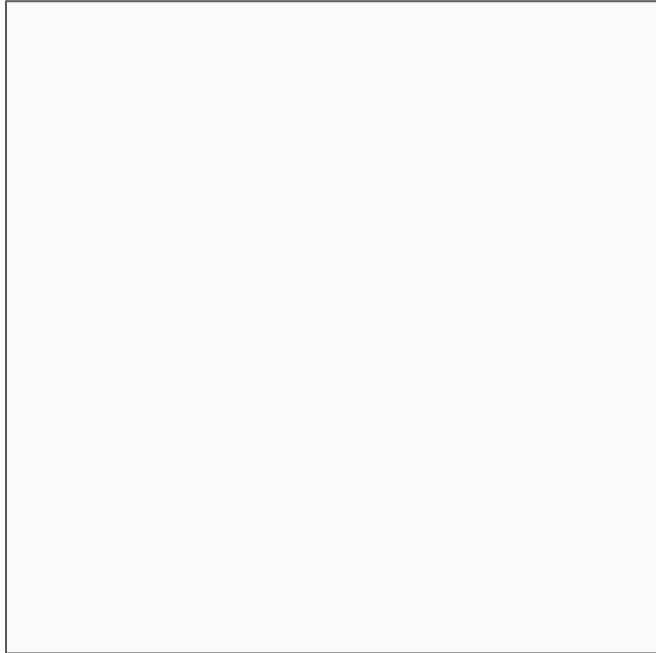

Why choose rubberwood? It's not only a testament to our dedication to environmental responsibility but also an affordable choice for those who appreciate both beauty and value.

Experience the warmth and natural allure of rubberwood, knowing that your choice contributes to a greener, more sustainable future. With TLC Online, you can have both the best of nature and affordability in your space.

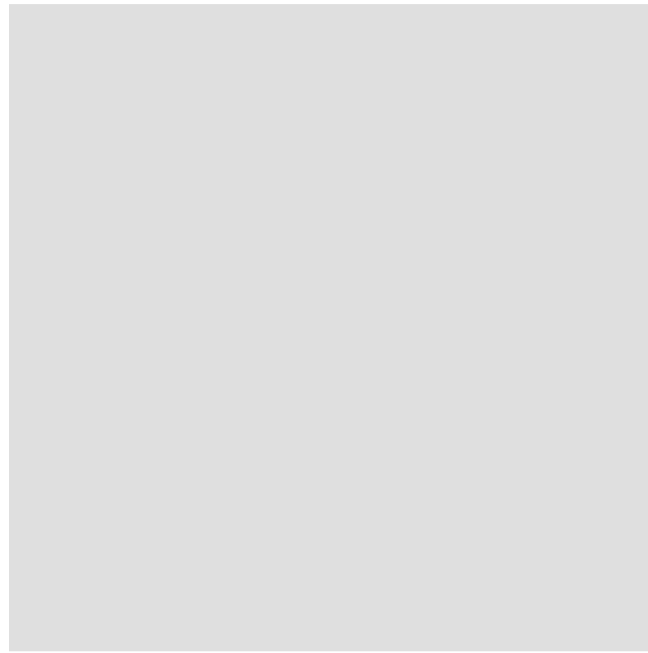

**\*Please be aware that, owing to the inherent characteristics of wood, the stain colors may exhibit variations compared to the images displayed.\***
