

Zellige 4x4

WHAT TO EXPECT?

Shown below are not defects, they are common characteristics in some of the tiles Zellige 4x4. Those are subject to variations in color, shade, size, surface texture and finish. Prior to installation, installer must blend tiles from several different boxes to achieve an even distribution of color range.

Zellige 4x4

WHAT TO EXPECT?

The shapes of Zellige are irregular, as they are handmade, it is normal to have differences in each piece of tile.
