

SOUTHERN // TRAIL 5

\$20,900 incl. GST (registration and freight not included)

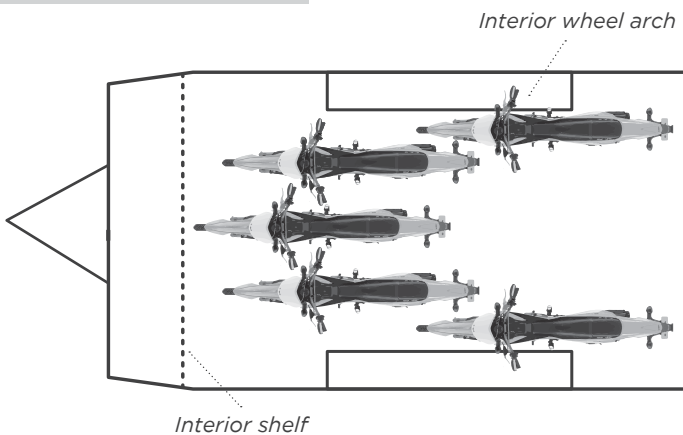

Room for the whole family or the whole team. Stylish space for five adult sized trail bikes.

The Southern Trail 5 tandem axle trailer does not disappoint. With sunken wheel wells for five adult sized trail bikes and still ample room for gear, this trailer is worth the investment. The low and economical ride height also means you won't be disappointed by an excessive fuel bill.
