

# 432 Hz Tuning Fork

SozoSoundz presents the 432 Hz tuning fork also known as Verdi Tuning. Giuseppe Verdi wrote all his operas based on the A 432 Hz. He believed any tuning higher than that would damage the vocal chords. Studies have shown that when no pitch is given, children naturally sing in this key. This pitch is also based on the scientific scale where C is 256 Hz and an octave higher is 512 Hz.

This natural resonating frequency gives one a sense of peace, calm and wellbeing. It is highly effective on the heart energy center.

Meditating with this frequency 432
Hz can be an extremely powerful
and effortless way to experience a
cleansing within your consciousness.

### **Application**

- 1. Activate the fork and let it ring out around your left ear. Activate it again and let it ring out around your right ear. Keep rotating as long as you like or until you have a sense of peace.
- 2. Activate the fork and tune you instrument to this A 444 Hz. Electronic instruments generally have a master tune feature that will allow this.
- 3. Activate the fork and point the tines at the heart. Do this a few times to allow your body and cells to come in resonance with the frequency.
- 4. Activate the fork and point the tines at the heart. Use the fork to draw clockwise circles. The fork should be a out 2 to 3 inches from the heart. This will help stir up energy. Do this a few times.

#### Benefits:

- Accelerates the Spiritual and Mental development especially in children
- Beneficial for use on the Chakras (Energy Centers)
- Frequency used to treat hyperten sion, long term chronic illness, high blood pressure, lowers the heart rate.
- Produces a pleasing and comfortable effect on the body.
- Aids in tuning and resonating with the organic world which surrounds us. Releases emotional blockages and expands consciousness.
