

## Shekinah (not archangel) -

This is the Divine name of God in the feminine English name. The original word means the dwelling where God's divine presence is housed. This presence resides in Da'ath of the Sefhira.

## Holy Host of Angels (All Archangels together)

This is the presence and frequency of all Archangels together.

### Application:

Activate the forks individually or simultaneously to reap the benefits of the Archangel's attributes and frequencies. Meditate on that frequency and attributes.

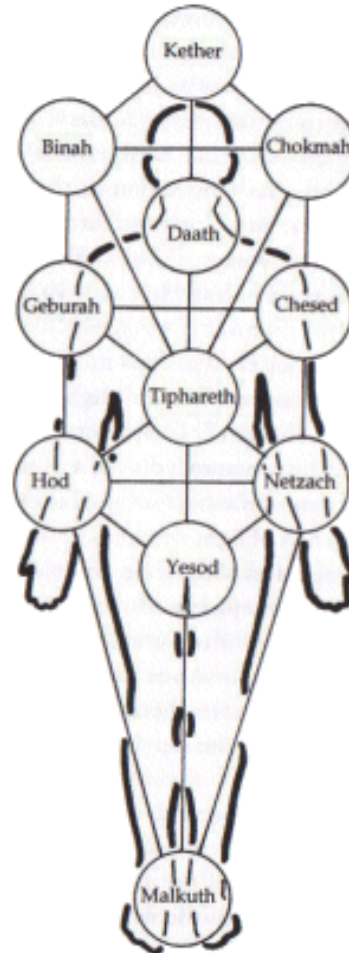

Activate the fork of the Archangel associated with the Sefhira. Point the tines at that associated area & draw circles to stir up the energy. You can do this in any order (Keter to Malkuth, Malkuth to Keter, or any other combination).

Follow up in the same manner as listed above by activating the Holy Host of Angels and use in the same order you did in the previous example.

Activate forks simultaneously such as the twins, i.e. Metatron and Sandalphon.

**SozoSoundz** proudly presents our set of 12 Archangels tuning forks based on the Kabbalah Tree of Life. Ten of the forks are the Archangels and the 11th Fork is Shekinah (not an Archangel). The Archangels combined forms the 12th fork known as the HOLY HOST of ARCHANGELS. The frequencies of this set are proprietary and based on Hebrew Gematria. These forks can be used individually or simultaneously. This set can also be used in conjunction with our Kabbalah set.

Archangels are those angels with a high rank. The term is usually associated with Abrahamic religions. Abraham was a Hebrew. Christianity recognizes Michael, Gabriel and Raphael (Catholic). In Kabbalah (Jewish mysticism) all 10 Archangels are recognized. These Archangels are assigned to one Sefhira./Sefirot. The Sefhira is the Tree of Life in which the 10 attributes/emanations of YHVH/YAHWEH are found.

## THE ARCHANGELS

**Metatron**— In Jewish apocrypha and early Kabbalah, Metatron lived as a human man known as Enoch who was a scribe (*writing down the deeds of Israel*) and prophet before his transition and ascension as an angel. Zohar (foundational work of literature for Jewish mystical thought/Kabbalah) refers to him as the highest Archangel who presides over all the others. He is also the twin brother of the Archangel Sandalphon. He resides in Keter of the Sefhira.

**Raziel (Secret of God)** — This is the “Angel of Mysteries” or the “Keeper of Secrets”. He stands close by God’s throne, and therefore hears and writes down everything that is said and discussed. He resides in Chokmah of the Sefhira.

**Tzaphkiel (God’s Knowledge)**— She is the chief of the order of thrones and one of the 9 angels that rule heaven as well as one of the Archangels. She is known as the angel of understanding, compassion and helps people learn how to love each other with unconditional love. She rules the angelic choir. She resides in Chesed of the Sefhira.

**Tzadkiel (Righteousness of God)**— He is the angel that encourages forgiveness and also known as the “Angel of Mercy”. He helps to heal emotional wounds and painful memories. He helps with prosperity and brings joy and freedom. He resides in Binah of the Sefhira.

**Kamael (One who seeks God)**— He is the angel of peaceful relationships. He helps to find inner peace, resolve conflicts and find and nurture romantic love. He comforted Adam and Eve after they were expelled from the Garden of Eden and Yeshua in the Garden of Gat Shemanim (Gethsemane). He resides in Geburah of the Sefhira.

**Michael (Who is like God) -** He is God’s top angel. He has exceptional strength and courage. He fights to prevail over evil. He defends and protects those that love God. He resides in Tiphareth of the Sefhira although some Kabbalists place him in Hod.

**Haniel (The Grace of God) -** She is known as the angel of joy and happiness. She helps others discover their creativity, increase their productivity and find hope. She supports relationships. She resides in Netzach of the Sefhira.

**Raphael (God Heals) -** He is known as the angel of healing. He is full of compassion for those struggling physically, mentally, emotionally or spiritually. He works to bring people closer to God so they can experience the peace God wants to give them (Shalom). He also works to heal animals. He resides in Hod of the Sefhira.

**Gabriel (God is my Strength) -** He is known as the angel of revelation or God’s messenger. He helps to clear confusion and achieve wisdom. He helps bring fertility and assists mothers in conception. He resides in Yesod of the Sefhira.

**Sandalphon (Brother/Together) -**

He is known as the angel of music and prayer. His twin brother is Metatron. Both of them are the only angels that also manifested as human beings. He is also the guardian and protector of unborn children. He is associated with spiritual ascension. In Jewish apocryphal literature, it was said that when Moses saw Sandalphon on his visit to the third heaven he called him, “The Tall One.” He resides in Malkuth of the Sefhira.
