Music and sound (frequencies) is a very powerful tool that can help transform the human body and soul. However, we have learned that our modern day musical scale has been robbed of its vast potential for healing and transformation. There was once an even more powerful, time-honored tonal scale known as the "Original Solfeggio Frequencies." For some reason, these mysterious frequencies were lost sometime after 1050 A.D.

In 1974, these powerful frequencies were rediscovered by Dr. Joseph Puleo as described in the book, "Healing Codes for the Biological Apocalypse" written by Dr. Leonard Horowitz. At that time, Dr. Puleo was divinely inspired to examine the Bible where he uncovered in Numbers: Chapter 7, Verses 12-83 a pattern of six repeating codes around a series of sacred numbers, 3, 6 and 9. When deciphered using the ancient Pythagorean method of reducing the verse numbers to their single digit Integers, the codes revealed a series of six electromagnetic sound frequencies which correspond to the six missing tones of the ancient Solfeggio scale.

The frequencies revealed were 396 Hz, 417 Hz, 528 Hz, 639 Hz, 741 Hz and 852 Hz. We have also been able to calculate the pattern to bring us at least three more healing frequencies such as 174 Hz, 285 Hz, and 963 Hz.
