

Congratulations for purchasing the Trinity Set. This is an exclusive set offered only by SozoSoundz. The frequencies are based off of the original names using the Hebrew Gematria. This is a method used in Sacred Geometry to obtain a numerical value to words and phrases. While SozoSoundz also has another YHWH (GOD) fork, that is based on simple gematria. These forks are only sold in a set and are not available as single forks.

This set helps frame up your world, walk and life with all parts of the trinity in operation. They are great for both meditation and prayer. Each part of the Trinity has different aspects. Depending on what you want to operate or invite in at the time, is what will help assist you with which fork to use.

While it uses some coordination and skills, using all three forks simultaneously will help to enhance a multi-dimensional experience.

**Experiment and try
different things!!!**

Application:

- 1) Activate the forks individually and bring them within 6 inches of your ear. Let the fork ring out and then repeat with your other ear.
- 2) Activate all 3 forks simultaneously (putting a couple forks in one hand and the remaining fork in the other hand. Let them ring out in each ear as noted in 1) above and/or point the forks at the brow area and top of head. Try different areas.
- 3) Use the forks individually on different energy centers (chakras). Activate the fork and point the tines at the desired energy center and draw circles. This can be repeated many times with any desired fork.
- 4) Activate the YHVH fork and Point the tines at the root energy center and draw circles.
- 5) Activate the YHVH and Yeshua forks and point the YHVH tines at the Root chakra and the Yeshua fork at the Solar Plexus chakra drawing circles with both.

YHVH

In the Hebrew bible, God was simply written as YHVH. This is the 4 letter word known as the Tetragrammaton and pronounced Yod Hey Vav Hey.

Some refer to this also as Yahweh and others (mostly Christians) as Jehovah. This name appears 5,410 times in the Bible (1,419 of those in the Torah). A variety of pseudonyms are used, such as *Adonai, Elohim, I AM, HaShem, and etc.*

YHVH is creator of the Universe and everything contained within it. Christians believe while all members of the Trinity are GOD, they all have some of the same attributes but with different functions.

YESHUA

In the late books of the Hebrew bible the Messiah was given the name of Yeshua. The name corresponds to the Greek spelling *Iesous*, from which, through the Latin *Iesus*, comes the English spelling Jesus. Yeshua in Hebrew is a verbal derivative from "to rescue", "to deliver. Jesus is part of the Trinity that is God incarnate. Christianity believes that Jesus came in the flesh and took upon himself the sins of the world. This act of love provided man with an eternal connection with God and life in Heaven. In the Jewish faith they believe that the Messiah has yet to arrive.

The birth of Jesus was such a significant event that it forever has changed the way we date time in both the Gregorian and Julian Calendars.

B.C. (Before Christ) refers to all time before Jesus was born. After Jesus was born the date has added A.D (anno Domini) or in the year of our Lord. This dating system was devised in 525 by Dionysius Exiguus of Scythia Minor, but was not widely used until after 800.

Yeshua Attributes:

Savior, Salvation, Deliverer/Deliverance, Sacrificial, Teacher/Rabbi, Prayerful, Faithful, Wise, Humble, Virtuous, Obedient, patient, Charitable, Giving, Forgiving, Loving, miracles and Friend.
