

Customizable Fundraising Program

Go Team Go SCHOOL SPIRIT Fundraising Fliers

Craftworks NW has made fundraising very simple for you and your schools, teams, booster clubs, etc! No more overpriced candy, cookie dough and unused coupon books! This program allows your organization to set up and send simple digital brochures out to your database along with the digital order form to generate sales. They can also post them on their web sites or print copies for face to face selling if preferred. If you want to set up a front-end merch store for your organization, just head over to <https://craftworksnw.market>!

Low Cost • Easily Implemented

Here's how it works:

1

PERSONALIZATION AREA ON FLIER

Download the flier(s) that you would like to use, and open with Acrobat Reader. Enter your organization's contact info in the form fillable area at the top.

Ashland High School
Cheer Squad Fundrasier
Contact #: 000-000-0000

PERSONALIZATION AREA

Polar Camel High Endurance Drinkware

• DOUBLE WALL VACUUM INSULATION • ULTIMATE HOT & COLD RETENTION

Adding graphics to your fliers are a great way to add polish to your fundraiser! Graphic design services are available (by service quote only).

Ashland High School
Cheer Squad Fundrasier
Contact #: 000-000-0000

2

ORDER FORM FILLABLE PRICING

Download the order form(s) to go with the flier(s) you choose to use. Through the onboarding process, you will be provided a product price list, with your product pricing information. From there, you can set your fundraiser pricing, and start making sales!

Organization: _____
 Contact Name: _____
 Contact Phone: _____
 Form Collection Date: _____
 Make Checks Payable to: _____

Full Color Masks - Fundraiser ORDER FORM

Masks	Item #	Qty	Price	Total	Name/Phone/Email:
	SBL311				
	SBL312				

3

SEND AND YOU'RE ALL SET

Once you have completed the customization of your flier(s) and form(s) save them accordingly. Send them off to your organization via email or if the file size is too large to email, you could use an FTP service or utilize a free service called **Wetransfer** (www.wetransfer.com). **Wetransfer** sends a link that allows the organization to download the files being sent.
