

PADHOLDER FIT VIEW 18.4

HOLDER SETUP AND TABLET INSTALLATION GUIDE

1 REMOVING THE GALAXY VIEW 18.4 STAND

(a). Lay the tablet face down and locate the two spring-lock mechanisms where the stand attaches to the tablet.

(b). With the included allen key, insert the tool in to the holes on the latch.

(c). Push the latches toward one another and pull the stand away from the back of the tablet.
