Weddings at Ahipao

Dates, Days & Times

Ahipao is available 6 days a week from October 1st to March 31st. Wedding ceremonies can be held in our garden, followed by dinner in our restaurant space, which can hold 100 guests for a seated dinner, or 250 for a cocktail reception. You'll have the entire venue exclusively to yourself, and can party with your beloved guests until 1am.

Ceremony

While many of our guests prefer to have their ceremony on one of the many gorgeous Waiheke beaches, we can host ceremonies at Ahipao in our garden. However this can be a gamble with the New Zealand weather, so we recommend guests hire a stretch tent or marquee. Our garden has gorgeous views across the reserve and out into Matiatia bay. It is also only a 2 minute walk from the Fullers ferry, so it is incredibly easy for your guests to reach.

Costs

A minimum spend is required to reserve the Ahipao for your wedding. The amount depends upon the day of the week. Please note the minimum spend is not a maximum spend nor is it an estimate of how much your wedding will cost. Once the deposit has been received, the minimum spend amount is fixed and will not rise. A venue fee is charged in addition to the spend on food and beverages and is fixed upon booking.

Due to licensing regulations we have a strict 'no BYO' policy at Ahipao.

All prices in this wedding pack are GST inclusive.

Making a Booking

If you are interested in booking Ahipao as your wedding venue, we can pencil book your date and hold this for a maximum of 5 working days while you come to a decision. When you decide to book, we require a non-refundable deposit of \$2,000 to secure your chosen date & confirm the booking. Please note, this deposit is non-refundable if you subsequently decide to postpone or cancel your booking.

We understand that there are often many questions surrounding wedding bookings and there is nothing like a personal meeting to ask everything that comes to mind. We encourage you to make an appointment to come to see our venue & talk with us personally - please email to make an appointment with our wedding and events co-ordinator, Alannah - events@ahipao.co.nz

Please be aware Ahipao is not a wedding planning service. As the venue, we will ensure the venue is ready to host, the food and beverage is executed to the highest standard, as well as being available to the vendors for setup, on the day, and for pack down. Our services do not extend to venue styling, table styling or wider co-ordination of the wedding. Waiheke has many highly qualified wedding planners, and we would be more than happy to make an introduction for you.

Ahipao is a beautiful location for a wedding - we hope you choose to host your special day with us!

Reception at Ahipao

Our restaurant space is a stunning location for your wedding reception, and can seat up to 100 guests for a formal dinner. The restaurant is spread over two levels, so it can feel intimate enough for a small wedding of 50, or a larger party of 100. We can also host cocktail party style receptions, if you are looking for a more casual offering for up to 250 guests.

The restaurant features superb sea views, five opening bi-fold French doors onto our deck area and festoon lights across our dance floor area.
