Ramsgate

Victoria Mansions is a large apartment in the basement of what would originally have been one Victorian house on the top of the East Cliff, Ramsgate, Kent. Outside the door you cross the road, take the steps down and you are on the beach, it takes less than 5 mins.

The town and harbour are also less than a 5 min walk down the hill and if you take a left out of the apartment you can walk to Broadstairs in about 45 mins, either along the cliff or the beach tide dependent.

There's a very spacious living area that opens into a kitchen with dining table to seat 8 and there's access to a small courtyard at the back of the property.

The apartment can sleep 6 across 3 double bedrooms - the middle is a walkthrough however the rooms you access via it can still be accessed via another means at the back of the flat.

There's 2 bathrooms, one main one with a bath and a smaller shower room with underfloor heating.

There's also a cosy little vaulted space right at the back which is ideal for watching films in. This opens into a utility room, useful for stashing cases and beach equipment.
