

Eyebrow wigs : how to measure and find the right size for your wigs?

Here is a sizing guide to better understand the proper wigs sizes and measurements. After finishing printing, lay your physical ruler over a printed one to make sure that the printed size is correct along the dashed line. Then put it on your eyebrows' position for finding your right design.

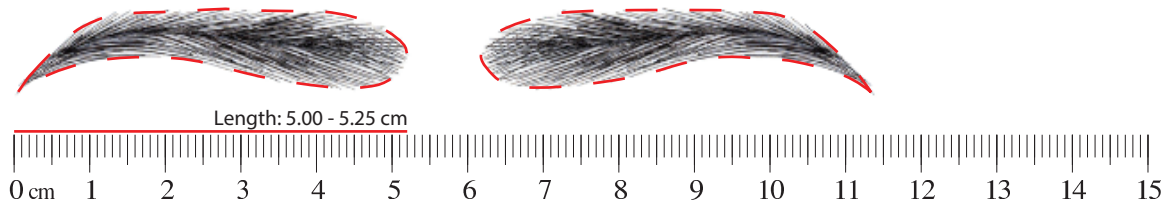

Please cut along the dashed line

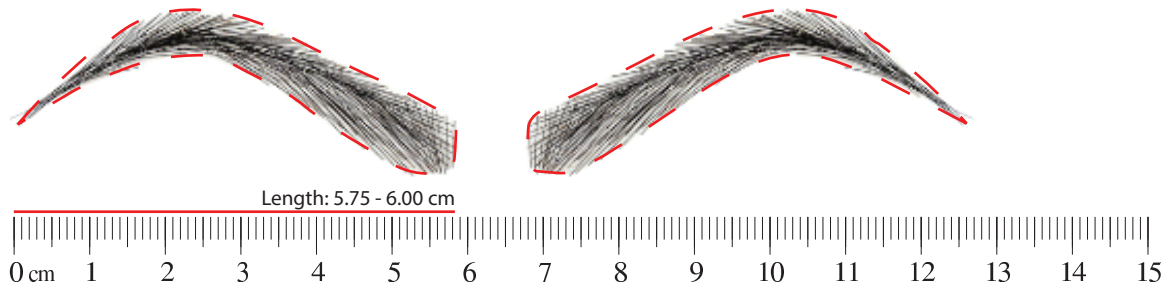

01 Las Vegas - Soft black

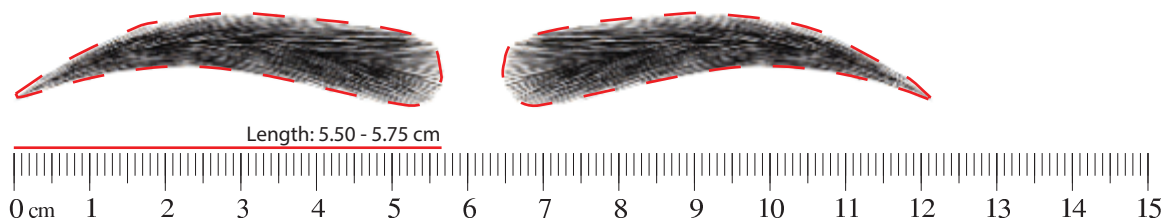

03 Los Angeles - Soft black

05 Hollywood - Soft black

07 Miami - Soft black
