

A close-up, profile view of a woman's head and shoulder. She is wearing a silver-toned necklace with a large, ornate, diamond-encrusted pendant and a matching earring. The necklace features a central oval pendant with a large diamond, surrounded by smaller diamonds and intricate scrollwork. The earring is a long, vertical drop earring with a similar design. The woman's hair is styled in dark braids. The background is a soft, neutral tone.
