Leitz Eins Zwei Zero Pinot Noir Rosé 0.0% Alcohol by Volume

From award winning winemaker, Johannes Leitz from the world-famous vineyards of the Rudesheim region in Germany comes Eins Zwei Zero, a premium alcohol-free Rosé made from 100% Pinot Noir grapes.

Eins Zwei Zero Rosé is delicately fruity, tangy summer wine. The nose has a dominant rhubarb note along with subtle hints of rosehip and raspberries. A lively acidity gives it the necessary freshness and the accompanying juicy fruits that make this alcohol free Rosé a real summer highlight.

It is a real summer highlight, which is also excellent with fresh summer salads and pasta and all Asian dishes, best served at 10°C.

The alcohol in this wine is removed through gentle vacuum distillation which preserves the natural and fruity Rosé aromas.

Eins Zwei Zero Rosé 0.0% Alcohol by Volume comes in cases of 6 x 750ml bottles. It has 23 calories, 5.1 gms of sugars and 5.1 carbs per 100 ml serve.
