

Baby Lock IQ Playdate

SUPPLY LIST

Instructor: Caity Coffin

Dates: FRIDAY, MAY 31ST | 10A-3P

Project description: Create a unique project using the IQ Designer features on your Baby Lock machine. Learn new techniques and explore the power of your machine.

Pattern: Full kit including stabilizers provided in class.

Sewing supplies:

1. Your Baby Lock machine with IQ Designer, plus power cord, embroidery module, embroidery foot, and all your sewing feet
2. Hoop at least 8"x12" (9-1/2"x14" and 10-5/8"x16" also work)
3. Bobbin thread and empty bobbins
4. Applique scissors, thread snips, pins, clips
5. Machine needles: 75/11 or 90/14 embroidery needles
6. Marking tool
7. Small ruler
8. Turning tool

Preparation prior to class:

Gather your supplies and come ready to have fun! We will break for lunch.
