

# Quilt Label Design in Bernina v9 Software

## SUPPLY LIST

**Instructor:** Melanie Dodd

**Dates:** THURSDAY, JULY 25<sup>TH</sup> | 10A-12P

**Class Description:** Learn how easy it is to use Bernina's V9 embroidery software to design your own custom quilt labels from scratch. This class is done entirely on the computer, no sewing machine required.

### **Supplies:**

1. Your laptop with Bernina v9 software installed (free trial download is available)
2. Laptop power cord and mouse
3. Something to take notes with
