

# Binding Basics

## Supply List

**Instructor:** Beth Dague

**Dates:** Saturday, March 9, 10am – 12pm

**Project description:** Learn how to make a continuous binding with mitered corners.

We will talk about the advantages and disadvantages of bias binding vs. cross grain bindings.

Learn how to calculate how much fabric you will need to bind any quilt.

Talk about binding widths and how to use them to create stunning quilts.

Most importantly, we will learn how to seam the ends together!

### **Fabric requirements:**

We will supply a kit to practice the binding technique. You will need no additional fabric.

### **Sewing supplies:**

1. Sewing machine with  $\frac{1}{4}$ " foot
2. Rotary cutter, 6 inch or 12 inch ruler and small mat
3. Fabric marking pen
4. Neutral thread
5. Scissors
